Commercial Kitchen Emergency

Course Description

Commercial Kitchen Emergency training encompasses the wide variety of emergencies that could occur in kitchens with a focus on oil fire emergencies. See the dangers of a real fire on our specially designed Kitchen Fire Simulator.

Course Overview

The following information, guidelines and procedures will be covered:

- Demonstrate fire safety practices whilst displaying a high level of personal safety
- Demonstration of a portable fire extinguisher use
- Determining when to use a portable fire extinguisher, and selecting the appropriate extinguisher to use on different classes of fire
- Determining if it is safe and appropriate to use first attack equipment

Course Specific Information

All trainees are required to wear closed in shoes and no loose clothing.
